*If you are coming with the VMAX club (VMOA) or just riding from the East Side of the Sound, then you may chose one of two routes.*

**ONE:** HWY 20 onto Whidbey Island, to Port Townsend, to HWY 104, across the Hood Canal Bridge to HWY 3, and on to Poulsbo (HWY 305) and Suquamish. You can get the Keystone Port Townsen Ferry secheduled at <http://www.wsdot.wa.gov/ferries/index.cfm> .

**TWO:** HWY 104 to Edmonds, take the Edmonds Ferry to Kingston, then start the Kingston rally around Kitsap County -- there is a Ferry that leaves Edmonds at 7:55 AM and gets into Kingston 8:25, which would get you to "Kingston Crossing" by 8:30, to join up with the Kitsap County biker rally (see page one above).
